

# Pakistan Floods 2022

actalliance

## A third of Pakistan still under water

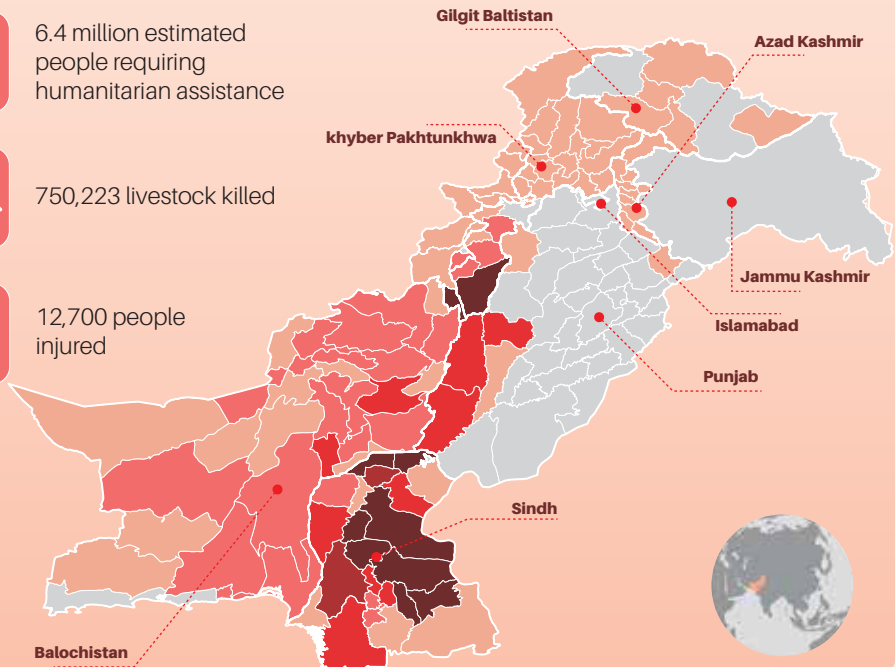

### What have the Floods done?

Nearly a third of Pakistan still remains submerged after catastrophic flooding from record monsoon rains and glacial melt in the mountainous north have left:

- 33 million estimated flood affected people in Pakistan
- 1.8 million estimated houses damaged or destroyed
- 1,481 estimated flood related deaths
- 6,575 kilometres (4,086 mi) of roads and 269 bridges destroyed
- More than 17,560 schools completely or partially damaged

- 6.4 million estimated people requiring humanitarian assistance
- 750,223 livestock killed
- 12,700 people injured

### How is Community World Service Asia Responding:

#### Planned

- Health
- Shelter Reconstruction
- Food Security (through Cash Assistance)
- Quality & Accountability

#### On-going

- Health
- Quality & Accountability in Humanitarian Response
- Cash for food

### Response in Numbers so Far:

- Mobile Health Unit operational in Umerkot district
- Health Assistance in 18 Villages in Umerkot
- Treated 808 people<sup>1</sup>  
Women 348 - Children 302 - Men 158

### What services are we offering through our Mobile Health Units?

- Curative and preventive consultations (OPD, ANC, PNC, counselling)
- Health Awareness sessions on preventive diseases, MNCH, hygiene
- Prioritising Maternal and neonatal healthcare

### What health problems are affected populations mostly suffering from?<sup>2</sup>

- Diarrhea
- Malnutrition
- Water borne diseases
- Malaria
- Skin diseases  
Eye infections
- Urinary tract infection (UTI)
- Acute respiratory infection (ARI)

### How are we integrating Quality & Accountability (Q&A) in the Pakistan Floods Response 2022?

As the regional partner and country focal point of Sphere and member of CHS Alliance, Community World Service Asia (CWSA) has launched a Q&A implementation plan to ensure quality and accountability is effectively mainstreamed through humanitarian relief activities in Pakistan.

- Advocacy with local civil society, PDMA and NDMA on Q&A through Reactivation of Accountability & Learning Working Group (ALWG)
- Translation & Dissemination of Q&A standards, guidance & booklets among aid community
- Virtual Learning Series on various Q&A standards and topics (CRM, Safeguarding, Sphere, CHS, Cash based Assistance)
- Physical Trainings on Q&A standards and themes
